6

Here you will find your charger

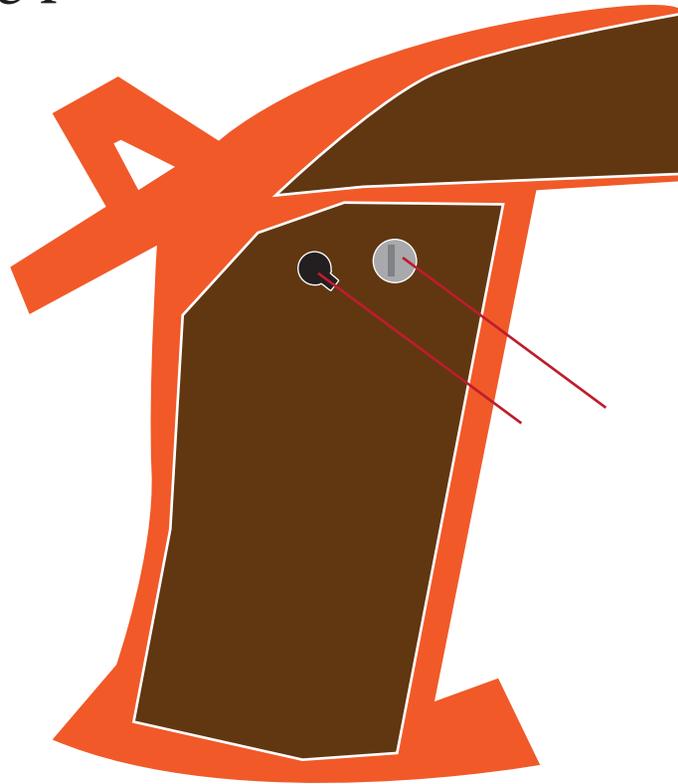

Join The Rayvolution!

Rayvolt Bike S.L. CIF: B66744038 - C/ dels Mercaders, 12, Local - 08003 Barcelona - Spain - Tel: +34 93 512 84 61 - www.rayvoltbike.com

7,8

On the inside of the top cover, that you can open using the right side zipper you will find Stickers and our bike key's

The left black cap holds the charging port, the Grey one is your keyhole.

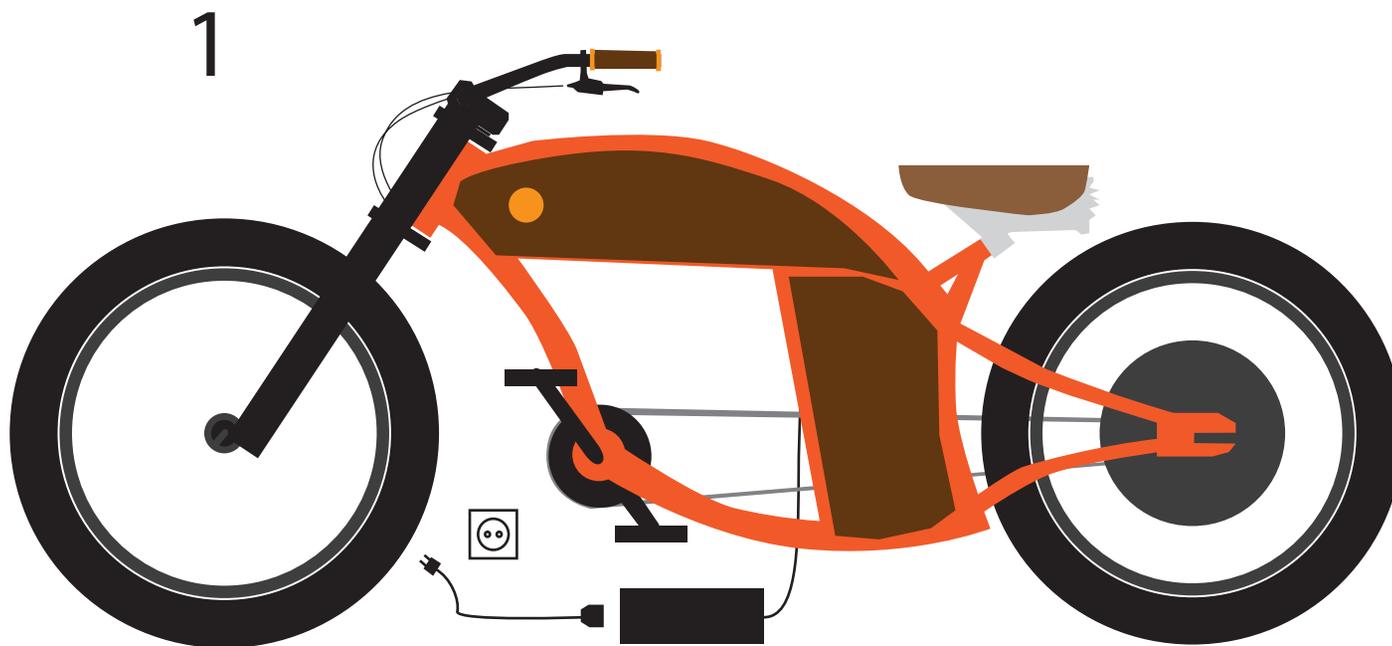

Join The Rayvolution!

Rayvolt Bike S.L. CIF: B66744038 - C/ dels Mercaders, 12, Local - 08003 Barcelona - Spain - Tel: +34 93 512 84 61- www.rayvoltbike.com

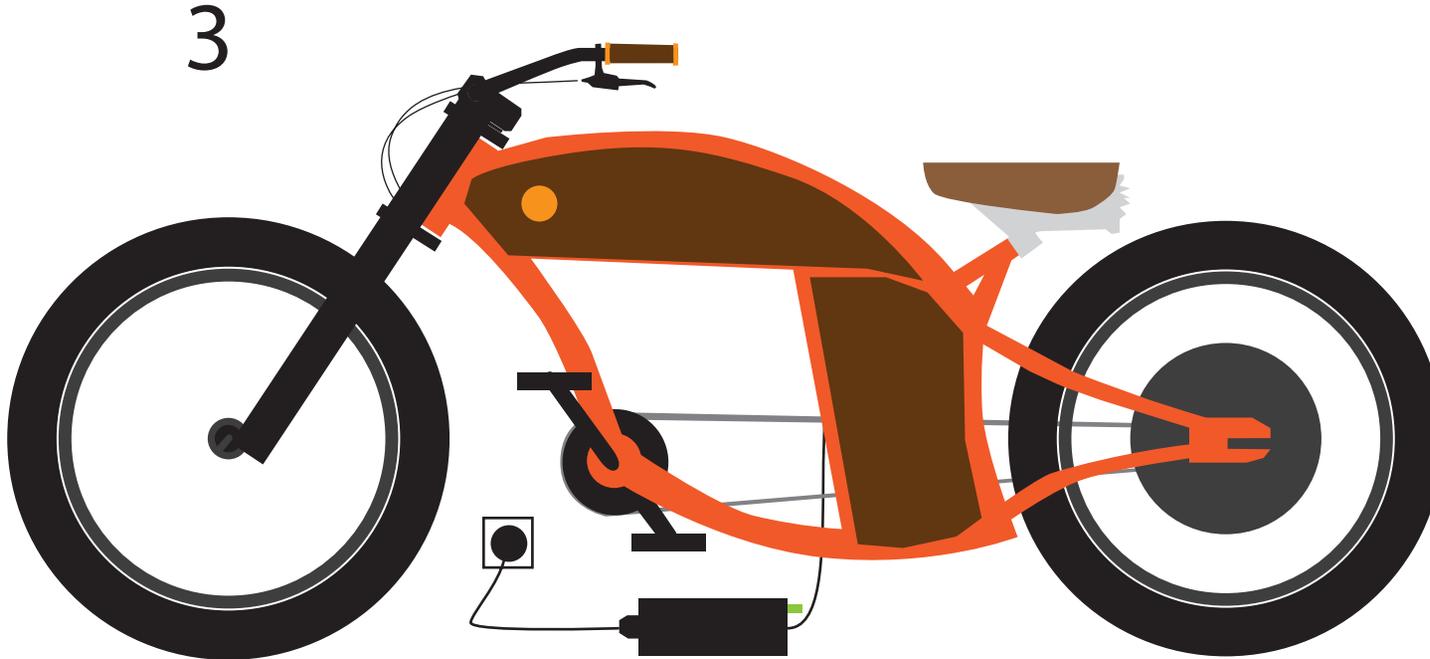

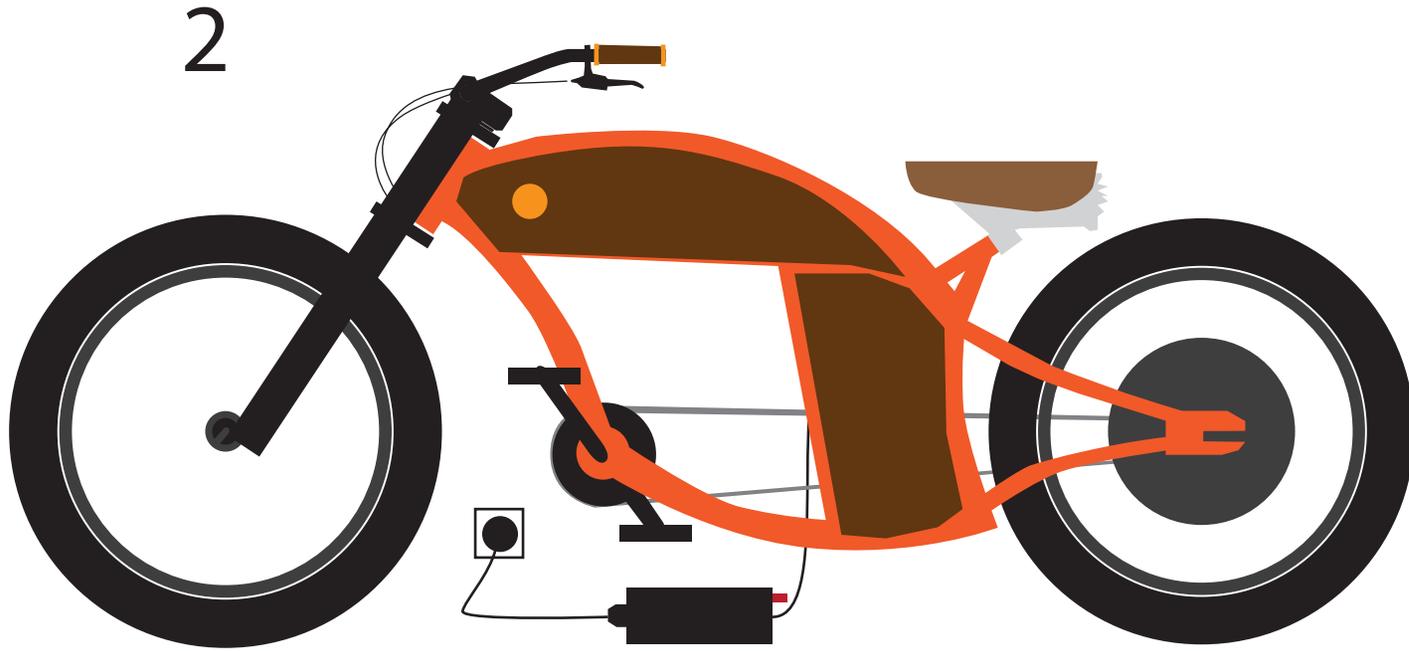

9

To charge the battery, first plug the charger to the bike and second plug the charger to plug, it will lash first Red light, then it will “click” and switch to Green, then it will start flashing Blue light. When it stops flashing Blue and comes back to Green light, your battery will be fully charged.
